Description

This late 2009 (MY2010) update series top of the range Range Rover Sport 5.0 litre V8 Supercharged with 137,000 klms since new and a very good servicing history. In white with charcoal leather interior this Range Rover has been driven both on the highway and in the city since new and has always been maintained well. Not only does it have a the upgraded sound package, reversing camera, alloy wheels but it’s loaded with every feature you could hope for from factory sun roof, navigation, blue tooth, keyless start being an MY10 and parking sensors we are certain that this Supercharged Sport will hold it’s value very well moving forwards. Compared to it’s new car price this is a huge saving and still drives like a very modern car and is in lovely condition. We have sold Range Rovers for years and know exactly what to look for and this one ticks all the boxes. We hope that you can take time out to come in and have a close look at this very tidy V8 Rangey one day soon. NSW registration until November 2018.
