

Land Rover Range Rover Sport TDV6 SE

## Description

\*\* Since 1994 our family run business has been specialising in prestige European car sales from our indoor warehouse in Sydney \*\*

\*\* WINNER of the 2020 Local Business awards for Outstanding Automotive Services\*\*

- 2016 Range Rover SPORT TDV6 “SE” model
- country car with highway mileage
- extremely good Landrover service history from new
- Metallic bronze with cream leather interior is a very desirable colour combination in a Range Rover
- there is such a difference when a car has travelled highway kms as opposed to the rough stop start Sydney traffic with speed bumps, gutters and loads of leaves dropping from trees whilst parked in busy streets.
- this is in superb condition and has a lot of very nice features; timber dash and inserts, larger alloy wheels, keyless entry and keyless start, power seats, dual zone climate control air conditioning and a lot more.
- we sell a lot of this series Range Rover and know a good car when we see one. This car is a December 2016 compliance so really has only been on the road since 2017 which makes it a very modern car with a very modern feel inside.
- factory satellite navigation and reversing camera
- the bodywork, alloy wheels, interior seats, headliner, carpets and dash are

all unmarked and very special

– we are extremely excited to show you this lovely car and please wait until you see it in person before buying a run down city car.

– we are extremely thorough about the sort of cars we buy and go over them with a fine tooth comb.

– this car will be mechanically checked over and receive a NSW roadworthy permit

– we are so excited to show you this fine example and look forward to meeting you in person one day soon
