

Land Rover Range Rover Vogue L322 06MY

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

– 2006 Range Rover Vogue 4.4 litre V8
– excellent condition throughout
– log books since new
– very nice car to drive and not leaking oil
– the leather interior is one of the best we have seen as is the head liner which is not sagged
– we sell a lot of this series and have become very fussy about what we offer for sale
– this does tick a lot of boxes and being a 2006 series it’s very desirable to own being the facelift model
– the metallic grey with grey leather interior looks stunning
– one of the best 4WD’s on the road and we believe it’s been looked after very well both cosmetically and mechanically
– the 2006 Range Rover is equipped with an updated “infotainment” system. This includes a touch screen with on and off-road navigation, radio, CD, telephone, rear view camera, a wireless video camera system and other additional features all accessed via the same user interface. The audio system is Harman Kardon Logic 7 surround sound. Also there is a DVD rear seat entertainment which is fully integrated.
