- very nice car to drive and not leaking oil
- the leather interior is one of the best we have seen as is the head liner which is not sagged
- we sell a lot of this series and have become very fussy about what we offer for sale
- this does tick a lot of boxes and being a 2006 series it's very desirable to own being the facelift model
- the metallic grey with grey leather interior looks stunning
- one of the best 4WD's on the road and we believe it's been looked after very well both cosmetically and mechanically
- the 2006 Range Rover is equipped with an updated "infotainment" system. This includes a touch screen with on and off-road navigation, radio, CD, telephone, rear view camera, a wireless video camera system and other additional features all accessed via the same user interface. The audio system is Harman Kardon Logic 7 surround sound. Also there is a DVD rear seat entertainment which is fully integrated.

- we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
- this car will be mechanically checked over and receive a NSW roadworthy permit
