

Lexus IS IS300h F Sport AVE30R

Description

Since 1994 our family business has been specialising in prestige European car sales from our indoor warehouse in Sydney.

WINNER of the 2020 Local Business Awards for Outstanding Automotive Services.

This is a particularly nice Lexus IS300h F Sport and one that I'm very happy to have in stock.

Finished in stunning metallic red with black leather interior, it has travelled just 58,000 kilometres from new and presents in virtually as-new condition.

What I particularly like about this car is that it has had just one owner from new — and in this case, it is someone I personally know. The car has clearly been exceptionally well looked after and its condition really does reflect the low kilometres.

The F Sport is the one to have in the IS range, giving the car a much sharper look and feel while retaining everything Lexus does so well — exceptional build quality, refinement, reliability and comfort.

It combines Lexus' 2.5-litre petrol engine with its hybrid system, making it beautifully smooth and quiet around town while also being remarkably

economical. It's a very easy car to live with.

The metallic red really suits the F Sport styling and, combined with the black leather interior, makes this one stand out from the usual white, silver and grey examples.

One owner, only 58,000 kilometres, known history and genuinely exceptional condition — this is a very hard car to fault.

We are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.

This car will be supplied fully checked and ready for its new owner.
