

Lexus LS LS460 Sports USF40R

Description

**** Since 1994 our family business has been specialising in prestige European car sales from our indoor warehouse in Sydney ****

**** WINNER of the 2020 Local Business awards for Outstanding Automotive Services****

Lexus LS460 AWD – Updated Series – 4.6L V8 – 116,000 km

A superb example of Lexus' flagship luxury sedan, finished in crisp white with black leather interior and presenting in mint condition.

This is the highly desirable updated XF40 series, featuring the dramatically redesigned front end with Lexus' signature spindle grille, revised headlights and more contemporary styling. It gave the LS460 a substantially more modern appearance while retaining the exceptional build quality for which the LS has become renowned.

Powered by Lexus' superb 4.6-litre 1UR-FSE V8, producing approximately 272kW and 477Nm, coupled to an 8-speed sports automatic transmission and All-Wheel Drive.

With only 116,000 kilometres since new, this example has clearly been exceptionally well cared for.

Features include:

- 4.6-litre V8 petrol engine
- 8-speed sports automatic transmission
- All-Wheel Drive
- Black leather interior
- Heated and ventilated front seats
- Electric front seats with memory
- Reverse camera
- Parking assistance
- Keyless entry and push-button start
- Premium sound system
- Rain-sensing wipers
- Electronic parking brake
- Cruise control
- Woodgrain interior trim
- Apple CarPlay
- LED headlights
- Stability and traction control
- Multi-zone luxury climate control

Importantly, this particular LS460 does not have the costly air-suspension system, something many long-term buyers will regard as a significant advantage as these cars age.

The USF45 is a particularly interesting version of the LS460 because it combines the naturally aspirated V8 with AWD. Australian Government records specifically identify the USF45 as the 4WD/AWD 4.6-litre 1UR-FSE LS460, and confirm these vehicles were sourced from the Japanese market.

These updated LS460s represent extraordinary value when compared with equivalent European flagship sedans. The cabin is beautifully constructed, the V8 is exceptionally smooth and the car has the wonderfully quiet, effortless character that made the LS Lexus' flagship.

Mint condition, only 116,000 km and exceptionally well equipped.
