

Lexus LX570 URJ201R

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

– This stunning update series 2012 Lexus LX570 in pearl white has only travelled 70,000 klms since new
– always serviced by Lexus and spent most of its life in the city
– unmarked clean cream leather interior with beautiful Lexus wood panels
– incredible comfortable and sumptuous soft seats is a joy to sit in
– full set of factory proximity keys
– height adjustable suspension to raise and lower vehicle
– lovely paintwork in the Lexus famous pearl white finish
– there are so many of this series which have been poorly looked after
– the best colour combination for so many reasons
– this flagship 200 series based 4WD is fully optioned and drives just like a brand new Lexus
– factory sun roof, alloy wheels are unmarked, headliner isn’t stained and the carpets are literally like new
– we are so particular about what we sell here in Sydney and this is priced very well in our opinion based on its condition, mileage and colour combination
– reversing camera, blue tooth, heated and cooled seats, 8 seater with automatic 3rd row seats and so much more

– we take our cars so seriously here and hope you do too
– please take out the time to come to our showroom and test drive this engineering marvel nick named ‘King of the Roads’
– producing 270kW and 530Nm of torque
– Head and leg room in the first two rows is exceptional. There is even enough room to load three adults into the third row of seats, which use electric motors to rise out of their stowed position.
– The chilled centre console is an excellent idea for keeping up to six sizeable bottles cool. The chilled centre console works independent of the quad-zone automatic climate control.
– A 19-speaker Mark Levinson sound system provides incredible amounts of bass and crisp treble clarity
– it’s hard to imagine, the LX 570 can sprint from 0-100km/h in just 7.8 seconds
– Adjustable suspension dampers aid with handling
– The full-time 4WD system features a TORSEN centre differential and lockable rear and centre differentials with adjustable modes for prevailing conditions

– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
– this car will be mechanically checked over and receive a NSW roadworthy permit
– we are so excited to show you this fine example and look forward to meeting you in person one day soon
