Lexus SC UZZ40R

Description

**** Since 1994 our family run business has been specialising in prestige European car sales from our indoor warehouse in Sydney ****

- in 2008 when the Lexus SC430 V8 came out it was and still is one of the best looking convertibles in the world; and certainly one of the most reliable
 - we believe this is a one owner car since new with only 80300 klms since new and just gorgeous
 - dark grey with black leather interior and 2008 model examples are becoming extremely hard to find
 - the electric hard top is so quick to put on and off and this 4.3 litre V8 engine is a superb car to drive and listen to when the top is down
 - dual zone climate control air conditioning
 - electronic seats on both sides
 - colour wide screen navigation
 - the condition of the leather interior and the inside of the boot is like new
 - we absolutely cannot wait to show you this example in person
 - 23 rd Aug. 2020 registration in NSW
 - just a pleasure to drive and it still has “that” Lexus new car smell
-
- we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
 - this car will be mechanically checked over and receive a NSW roadworthy

permit

– we are so excited to show you this fine example and look forward to meeting you in person one day soon
