

Lexus SC430 UZZ40R

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **
– in 2008 when the Lexus SC430 V8 came out it was and still is one of the best looking convertibles in the world; and certainly one of the most reliable
– we believe this is a two owner car since new with only 73,000 klms since new and just gorgeous
– it has been serviced by Lexus until 2015 and then a normal motor mechanic
– silver with black leather interior and 2008 model examples are becoming extremely hard to find
– the electric hard top is so quick to put on and off and this 4.3 litre V8 engine is a superb car to drive and listen to when the top is down
– dual zone climate control air conditioning
– electronic seats on both sides
– colour wide screen navigation with reversing camera
– spare remote keys present
– the condition of the leather interior and the inside of the boot is like new
– we absolutely cannot wait to show you this example in person
– November registration in NSW
– just a pleasure to drive and it still has “that” Lexus new car smell

– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
