Lexus SC430 UZZ40R

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

– in 2008 when the Lexus SC430 V8 came out it was and still is one of the best looking convertibles in the world; and certainly one of the most reliable – we believe this is a two owner car since new with only 73,000 klms since new and just gorgeous

– it has been serviced by Lexus until 2015 and then a normal motor mechanic

– silver with black leather interior and 2008 model examples are becoming extremely hard to find

– the electric hard top is so quick to put on and off and this 4.3 litre V8 engine is a superb car to drive and listen to when the top is down

– dual zone climate control air conditioning

– electronic seats on both sides

– colour wide screen navigation with reversing camera

– spare remote keys present

– the condition of the leather interior and the inside of the boot is like new

– we absolutely cannot wait to show you this example in person

– November registration in NSW

– just a pleasure to drive and it still has “that” Lexus new car smell

– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.

– this car will be mechanically checked over and receive a NSW roadworthy permit
– we are so excited to show you this fine example and look forward to meeting you in person one day soon
