

Lexus SC430 UZZ40R MY07

Description

This absolutely stunning Lexus SC430 2008 model with 88,000 klms since new has a full Lexus dealership service history and 2 keys in the most stunning silver (with a tinge of pink through it) and black leather interior. This is a car you really do have to come in to our dealership and see in person to fully appreciate. The leather is superb, the paint is all original and the alloy wheels are not bashed around by Sydney's gutters. These cars are loaded with every conceivable option you can imagine and some of the most impressive are the fully electric hard top, heated electric seats, Mark Levinson sound package and you can hide the climate control and the stereo sections by the push of a button. For a 13 year old Lexus that has only been driven less than 300 klms per week on average the silver with the very light grey leather seats really does make it a real head turner. The 4.3 litre V8 VVTi engine is super responsive and we truly feel that this is a car that will continue to hold it's value very well moving forwards. We have two in-house mechanics who will check this car over very thoroughly prior to it going to a new home but we are pretty certain it will be next to perfect as most Lexus are.

Here at the Oldtimer Centre® we are located at 29-31 Antoine Street, Rydalmere, NSW 2116. Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5
