2016 Mazda 2 Neo Automatic – Economical, Reliable & Ready to Enjoy | \$13,950

Finished in smart metallic grey with a matching grey interior, this 2016 Mazda 2 Neo represents an excellent opportunity to secure one of Australia's most popular and reliable small hatchbacks.

Powered by Mazda's renowned 1.5-litre SKYACTIV petrol engine and paired with a smooth 6-speed automatic transmission, the Mazda 2 delivers outstanding fuel economy, low running costs and an enjoyable driving experience that makes it equally at home in city traffic or on the open road.

This vehicle is only being offered for sale due to its owner relocating overseas, making it a genuinely reluctant sale. It has been well cared for and has just been serviced this week in preparation for its next owner.

Adding further peace of mind, the vehicle comes with NSW registration until October 2026, allowing you to drive away and enjoy immediately.

Features include:

- Automatic transmission
- Fuel-efficient 1.5-litre SKYACTIV petrol engine
- Metallic grey exterior finish
- Grey cloth interior
- Bluetooth connectivity
- Air conditioning
- Power windows and mirrors
- Remote central locking
- Cruise control
- Multiple airbags and advanced safety features
- Excellent fuel economy
- Recently serviced and ready for sale

The Mazda 2 has built a reputation as one of the best light hatchbacks on the market thanks to its reliability, practicality and low ownership costs. Whether you're looking for a first car, daily commuter, student vehicle or economical runabout, this Mazda ticks all the boxes.

Finding a well-maintained automatic example with long registration and fresh servicing at this price point is becoming increasingly difficult.

Priced at just \$13,950.

An affordable, reliable and economical hatchback that is ready for its next chapter. Inspection and test drive are highly recommended.
