

Mazda MX-5 NB30P4

Description

What a superb Mazda MX-5 from 2004 we have for sale. Literally the best on offer in the country we would say. With a staggeringly low 34,000 klms and a full service history up to date this gorgeous red 6-speed manual roadster is in basically perfect condition. The previous owner is an extremely nice and fussy guy who recently purchased a newer Mercedes from us and was very sad to see this car go. You really do need to come in and take a close look as to just how good this car really is. From the immaculate paintwork, the unmarked trim, the perfect soft top and even the alloy wheels don’t have a whole lot of marks all over them. Registered here in NSW until late April 2018 and just one of the best used cars we have seen in a long time.

Here at the Oldtimer Centre® we are located at 29-31 Antoine Street, Rydalmere, NSW 2116. Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site. We have two in-house full time mechanics who are very experienced and personally inspect every car that we have for sale. We now offer in-house finance with extremely competitive rates and are able to finance much older cars too. Interstate transport can be arranged easily, car history reports are available upon request, we don’t buy our cars from auction houses and we are located only 10 minutes from Sydney Airport in three indoor showrooms.
