Mercedes-Benz 180E W201

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

– What an unbelievable find! A 1992 model car that has only had two owners and a staggeringly low 29,000 klms since new with a full history.

– initially owned by a lady in Sydney's Darling Point it has been serviced by Mercedes every year still.

– we have loads of receipts, spare keys and it's just stunning

– air conditioning

– power steering

– both keys

– central locking

– original stereo is present and it's registered in NSW

– this is literally a one of a kind and will never be seen again once it's sold – a very rare opportunity indeed

– we cannot express how proud we are of this gorgeous car in a very cool colour combination

– the fashion pack trim looks awesome and this car even has that real Benz smell still

– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.

– this car will be mechanically checked over and receive a NSW roadworthy

permit

– we are so excited to show you this fine example and look forward to meeting you in person one day soon
