**** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney ****

- Another two owner 1991 Mercedes Benz 180E with only 65,000 klms since new
- superb beige with tan fashion pack trim and we literally have every bit of literature that the car had from new
- working air conditioning
- 10 months NSW registration until the end of 2019
- original hub caps
- drives perfectly
- we only just recently sold another very low mileage 180E and not only are they a very reliable, safe and sensible car but they have an extremely good reputation mechanically
- in fact they were and still are used widely across the world as taxis
- the back seats have a surprisingly large amount of legroom in the rear
- we are always looking out for the lowest mileage cars we can find and this one certainly ticks all of the boxes
- we also feel that this car is very well priced and will hopefully last someone else a very very long time moving forwards
- we are extremely excited to offer this 1991 model car for sale and very much look forward to meeting you in person one day soon
- we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
- this car will be mechanically checked over and receive a NSW roadworthy permit
