– 1967 Mercedes Benz 250SL “Pagoda” Australian delivery
– excellent car in Old English White with olive green leather which is superb for the period of car
– log books

– very well restored car
– the mechanicals were rebuilt from someone we know very well and they are simply one of the best Mercedes mechanics for older cars
– complete respray
– this is considered a very good model to buy as the 280SL’s are becoming extremely expensive and they really are so similar to drive
– soft and hard tops
– we have the original gear selector where Park is down the bottom too
– this is such a lovely example and should hold it’s value so well moving forwards
