

Mercedes-Benz 300SE

Description

** Since 1994 our family business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

** WINNER of the 2020 Local Business awards for Outstanding Automotive Services**

- 1990 Mercedes Benz 300SE W126 “update” series
- this is the newer series with the softer leather trim and the electric steering column which is extremely desirable
- 3.0 litre 6 cylinder engine in superb condition
- this car has been previously owned by a mechanic in Canberra and is an exceptional example
- very straight body
- air conditioning
- power steering
- log books from new
- we sell a lot of this series and they are becoming more and more collectable and desirable
- excellent resale value
- this would have to be by far the best one we have driven in a very long time
- will be registered here in NSW for the new owner
- the carpets still look like new and the car has that real Benz feel and even

smell about it

- there are a lot of very average 126's on the market and we are happy to say that this one certainly ticks all of the boxes
- what a lovely colour combination and one which will make you smile every day you own this beautiful example.
- as proud sponsors of the Mercedes Benz Car Club NSW we hope that this car finds a very good new home

- we are extremely thorough about the sort of cars we buy and go over them with a fine- tooth comb.
- this car will be mechanically checked over and receive a NSW roadworthy permit
- we are so excited to show you this fine example and look forward to meeting you in person one day soon
