

Mercedes-Benz 380SEL

Description

** Since 1994 our family run business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

** WINNER of the 2020 Local Business awards for Outstanding Automotive Services**

- stunning Mercedes Benz 380SEL W126 sedan
- petrol blue with parchment leather interior
- very well serviced since new
- Australian delivery
- factory alloy wheels
- cruise control
- power seats
- sun roof
- still has that lovely “old Merc” smell
- 200,000kms is absolutely nothing for a W126 V8 and this car has been owned by an older enthusiast that traded the car in on a new car here in Sydney
- this series is highly sought after and certainly a car to keep an eye on for becoming a real classic Merc in the future. This is a lovely colour from the period and certainly quite desirable as a long wheel base.
- nice chrome work
- only recently did we sell another 420SEL with higher mileage for around the

same money and this is equally as lovely a car.

– we are extremely thorough about the sort of cars we buy and go over them with a fine tooth comb.

– this car will be mechanically checked over and receive a NSW roadworthy permit

– we are so excited to show you this fine example and look forward to meeting you in person one day soon
