

Mercedes-Benz 420SEL W126

Description

Mercedes-Benz 420SEL 1990 (Used) – W126 Sedan 4dr Auto 4sp 4.2i

**** Since 1994 our family business has been specialising in prestige European car sales from our indoor warehouse in Sydney ****

**** WINNER of the 2020 Local Business awards for Outstanding Automotive Services****

An extraordinary opportunity to acquire what can only be described as a beautifully preserved example of one of Mercedes-Benz's finest luxury saloons – the legendary W126 420SEL.

Australian delivered from new and finished in metallic brown, this remarkable 420SEL has travelled an incredibly low 36,800 kilometres from new and has remained within the same family throughout its life.

The condition really does reflect those exceptionally low kilometres. The bodywork, interior, timberwork, switchgear and general presentation are outstanding, giving the impression of stepping back into a Mercedes-Benz showroom in the early 1990s.

Powered by Mercedes-Benz's beautifully smooth 4.2-litre V8, the long-wheelbase 420SEL combined effortless performance with the extraordinary

refinement, ride quality and build quality for which the W126 S-Class has become renowned.

Importantly, this is an Australian-delivered example with full history, rather than an imported car with an uncertain background. It has been exceptionally well preserved and maintained throughout its life.

Mechanically the car is excellent, drives exactly as a low-kilometre W126 should and requires nothing to spend.

Finding a W126 today is not particularly difficult. Finding an Australian-delivered, one-family-owned example with full history and fewer than 40,000 kilometres is an entirely different proposition.

For the Mercedes-Benz collector or enthusiast searching for a genuinely special W126, this is a car that deserves very serious consideration.
