

Mercedes-Benz 500SL W107

## Description

**\*\* Since 1994 our family run business has been specialising in prestige European car sales from our indoor warehouse in Sydney \*\***

- quite simply one of the nicest Mercedes Benz 500SL's we have seen in years
- 1986 in Thistle Green with parchment cream leather interior
- Air bag and central temperature gauge
- as with all 500SL's they were all sold new overseas and brought here on things like the tourist delivery programs.
- showing only 72,000 miles and based on its current condition it seems very genuine to us
- there is not a mark on the paint and the leather interior is in superb condition
- the soft and hard tops are in excellent condition
- head liner is unmarked
- the underneath of this car is immaculate as well – please check out the additional photos taken whilst on the hoist. it is very normal for the exhaust to have some marks but all the underbody is very very good for a car sold new overseas
- alloy wheels are not marked and the tyres are great
- this car has been owned by an enthusiastic collector who was also a member of the NSW Mercedes Benz car club that we sponsor

- previously registered in NSW so very easy to initiate new rego
- we only recently sold a similar car and not quite as good as this condition and was asking similar money
- there are so many of these on the market that you simply can't compare this car to. If you tried to spend many thousand of dollars on some of those other cars you just wouldn't end up with a car like this. It's original and has been treated so well over the years.
  
- we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
- this car will be mechanically checked over and receive a NSW roadworthy permit
- we are so excited to show you this fine example and look forward to meeting you in person one day so
