

Mercedes-Benz 560SEC W126

Description

**** Since 1994 our family business has been specialising in prestige European car sales from our indoor warehouse in Sydney ****

**** WINNER of the 2020 Local Business awards for Outstanding Automotive Services****

1990 Mercedes-Benz 560SEC – The Ultimate W126 Coupe – \$49,950

Regarded by many enthusiasts as one of the finest grand touring coupes Mercedes-Benz ever produced, this stunning 1990 Mercedes-Benz 560SEC represents the very best of the legendary W126 series. Combining timeless styling, exceptional engineering and effortless V8 performance, the 560SEC has become one of the most desirable modern classics on the market.

Finished in elegant Midnight Blue over a beautifully preserved grey leather interior—arguably one of the most desirable colour combinations ever offered—this example presents exactly as a flagship Mercedes-Benz should. The paintwork has a deep, rich finish, while the updated Series II interior features the softer leather introduced on the later cars, creating an exceptionally luxurious cabin.

Importantly, the dashboard remains free of cracks, a feature becoming increasingly difficult to find on W126 models.

Powered by Mercedes-Benz's magnificent 5.6-litre V8 coupled to a smooth four-speed automatic transmission, the 560SEC delivers effortless performance, refined cruising and the unmistakable build quality that made these cars the benchmark for luxury motoring.

Being a late Series II example, it benefits from a number of desirable updates including:

- Updated softer leather interior
- Driver's airbag
- Electrically adjustable steering column
- Memory electric front seats
- Dual air horns
- Climate control air conditioning
- Cruise control
- Electric windows
- Electric mirrors
- Central locking
- Genuine Mercedes-Benz alloy wheels
- ABS braking system
- Premium timber interior trim

The W126 Coupe has become one of the most collectible Mercedes-Benz models of its era, with exceptional examples continuing to appreciate as enthusiasts recognise their unmatched engineering, elegant styling and limited production. Finding a late-model 560SEC in such an attractive colour combination and well-preserved condition is becoming increasingly difficult.

Whether you're looking for a refined weekend cruiser, a prestigious addition to a collection or a classic Mercedes-Benz with genuine investment potential, this beautiful 560SEC deserves your inspection.

Offered at \$49,950.

– we are extremely thorough about the sort of cars we buy and go over them with a fine- tooth comb.

- this car will be mechanically checked over and receive a NSW roadworthy permit
- we are so excited to show you this fine example and look forward to meeting you in person one day soon
