Mercedes-Benz A160 W168

Description

Here at our Sydney based dealership we literally wait years to find cars like this. It's a Mercedes Benz A160 with a staggeringly low 84,000 klms and a full service history from new. 1999 model in the very fun clutchless manual transmission also known as the fun shift. Silver with charcoal grey interior is an excellent colour combination, there are no marks on the paint and the inside is great in every way. We are so proud of this A-Class as they are becoming so hard to get in excellent condition. We look forward to showing you this car in person at our showroom. This car has registration in NSW until November 2017 and we very much look forward to showing you this 5 door A-Class in person one day soon.

Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site. We have two in-house full time mechanics who are very experienced and personally inspect every car that we have for sale. We now offer in-house finance with extremely competitive rates and are able to finance much older cars too. Interstate transport can be arranged easily, car history reports are available upon request, we don't buy our cars from auction houses and we are located only 10 minutes from Sydney Airport in three indoor showrooms. Extended warranties are available from an excellent company supported by Lloyds of London and our main aim is to form an

ongoing relationship with you for many years. We're also an agent for the NSW Roads and Maritime Services so transfer of registration etc can be done at our office. Please contact us for a very personal experience and as always a great deal on price.
