

Mercedes-Benz A250 W176 806MY

Description

In October 2015 when this Mercedes Benz A250 AMG Sport edition 4-Motion was built it was known as the MY16 and cost well over $65,000.00 and we think it’s a very good buy in today’s market with only 20,000 klms and still under new car warranty. The four wheel drive system is a massive bonus over the standard cars and in stunning brilliant red with black interior the AMG pack looks superb in this A-Class 5-door hatchback. Fully automatic, log books from new, one fussy owner and loaded with great features that were all standard on the sport pack. Sports leather steering wheel, Harmon Kardon sound upgrade, blind spot assistance, black AMG alloy wheels that are 19-inch with red brake calipers, memory chairs for both seats in the front, heated seats, stainless steel pedals, upgraded suspension, sports seats with red stitching, window tinting, satellite navigation, blue tooth and parking sensors. What a package this is and at just under $45K it’s a great buy. It’s also registered in NSW until October 2018 and this current shape A-Class will hopefully continue to hold its value very well moving forwards and we are very excited to show you one day in person soon.
