

Mercedes-Benz B-Class B200 CDI BlueEFFICIENCY W246

## Description

2012 Mercedes-Benz B200 CDI BlueEFFICIENCY – Economical, Practical & Comfortable!

Since 1994 our family business has been specialising in prestige European car sales from our indoor warehouse in Sydney.

WINNER of the 2020 Local Business Awards for Outstanding Automotive Services.

Here we have a very practical and economical Mercedes-Benz B200 CDI, finished in white with a black interior and travelled just 138,000 kilometres since new.

I’ve always thought these B-Class Mercedes are a terrific choice for someone wanting the quality and comfort of a Mercedes without the running costs of a larger car. They offer a surprisingly spacious interior, excellent visibility and a comfortable, elevated driving position.

A few highlights:

Economical 1.8-litre turbo diesel engine.

Smooth 7-speed dual-clutch automatic transmission.

Travelled 138,000 kilometres.

Smart white exterior with black interior.

Spacious five-door hatchback with excellent luggage capacity.

Comfortable, elevated seating position.

Practical and easy to drive around town or on the open road.

A sensible, well-designed Mercedes-Benz that offers plenty of room for passengers and luggage without being unnecessarily large.

We are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.

This car will be supplied with a current NSW roadworthy certificate.

Inspections are welcome, and we’re always happy to answer any questions or arrange a test drive.
