

Mercedes-Benz B-Class W246

Description

**** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney ****

- this stunning new shape B200 CDi is a very good example
- only 68,000 klms in a very nice metallic grey with pale grey leather interior
- we sold this car to a very good client of ours last year with 65,000 klms but he is no longer able to drive. When you watch our video presentation the klms are slightly lower in the video but it's the identical car.
- owned by a lady in Mosman this car has been perfectly looked after mainly by Mercedes Benz
- it's a nice high car off the ground and this is the more powerful turbo diesel engine being the B200
- loaded with some very nice options indeed
- large panoramic sun roof
- alloy wheels which are absolutely unmarked
- excellent tyres
- cruise control with speed limiter
- auto headlights
- navigation
- bluetooth for phone and music
- parking sensors all round
- automatic climate control air conditioning

- electric seats with memory
 - both original keys
 - late June 2021 registration!!!!
 - we are so excited about this car we will most likely keep it as a service loan car if for any reason it doesn't sell – they are the perfect sized car for our clients if they need to borrow an impressive, late model vehicle
 - we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
 - this car will be mechanically checked over and receive a NSW roadworthy permit
 - we are so excited to show you this fine example and look forward to meeting you in person one day soon
