

Mercedes-Benz B200

Description

Where do you find a 2006 model Mercedes Benz B200 5-door hatch with not only 59,000 genuine klms but it has had a number of Mercedes Benz dealership services from new as well as specialists? Here in Sydney we source cars like this very rarely and it even has a set of factory wheels and an unmarked cloth interior. It has a cruise control, speed limiter, air conditioning and is registered until October 2018. We sell so many of these B-Classes and are so proud when we get one in that is in this sort of condition with these very low kilometers. If you are looking for a small to medium sized hatchback that will have a very long life ahead of it and is safe and reliable please look no further. It’s quite simply one of the best second hand cars we have sold in a very long time.

Here at the Oldtimer Centre® we are located at 29-31 Antoine Street, Rydalmere, NSW 2116. Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site. We have two in-house full time mechanics who are very experienced and personally inspect every car that we have for sale. We now offer in-house finance with extremely competitive rates and are able to finance much older cars too. Interstate transport can be arranged easily, car history reports are available upon request, we don’t buy our cars from auction houses and we are located only
