

Mercedes-Benz B200 W245 MY10

Description

Here we have an absolutely stunning update 2010 Mercedes Benz B200 AMG sport edition that has travelled a very sensible 69,000 klms since new. It has full leather interior, factory bluetooth, a perfect documented service history, spare remote keys, NSW registration and a beautiful colour combination. Metallic grey with black leather,parking sensors and loads of power without costing very much to run at all. There are so many B-Classes in average condition that we simply don’t buy so it’s a real pleasure to find one which is not only mechanically outstanding but cosmetically a very good example. This car has been garaged by the looks of things and with just over 70K in 8 years and looked after by some great mechanics this car certainly has a long life ahead of it. It really is such an impressive car and both of our experienced full-time mechanics will have a very good look over this car prior to it being sold.

Here at the Oldtimer Centre® we are located at 29-31 Antoine Street, Rydalmere, NSW 2116. Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site. We have two in-house full time mechanics who are very experienced and personally inspect every car that we have for sale. We now offer in-house finance with extremely competitive rates and are able to finance much older cars too. Interstate
