

Mercedes-Benz B250 W246

Description

This very late 2014 Mercedes Benz B250 has so much going for it compared to others for sale. With Harmon Kardon sound, panoramic sun roof, heated seats, park assist, memory electric chairs for both front seats, and the metallic grey with the pale cream leather interior looks absolutely stunning. Better factory wheels, service books from new, spare remote keys, and just one of the best little cars that we have seen that has also travelled some highway klms which is nice. Being owned in Coffs Harbour by an older couple this is one of those cars that you just get in and you know it’s in immaculate condition. We have had the car serviced here in Sydney and it ticked all of the important boxes. We are so proud to offer great late model cars in excellent colours with nothing to spend. Registered in NSW until December 2018 and just lovely
