2017 Mercedes-Benz C250 W205 – Exceptionally Highly Optioned – One Owner

An outstanding example of the W205 Mercedes-Benz C250, finished in black with a black interior and having had just one owner from new.

This is certainly not your average C250. It has been ordered with an exceptional specification and combines the AMG styling, Vision, comfort and technology features that make these W205 C-Class sedans so desirable.

The photograph alone shows some of the important driver-assistance equipment, including the 360-degree camera system, parking assistance and lane/steering assistance. Only 102,000 klms since new

Factory specification and highlights include:

AMG styling package
Panoramic glass electric sunroof
Head-Up Display
Burmester premium surround sound system
360-degree surround-view camera
Reversing camera
Front and rear parking sensors
Heated front seats
Electric front seats

The Vision Package on these cars included the panoramic glass sunroof, LED Intelligent Light System and Head-Up Display, while the COMAND Package incorporated the larger multimedia/navigation system together with the superb 13-speaker, 590-watt Burmester surround sound system.

Under the bonnet is Mercedes-Benz's excellent 2.0-litre turbocharged petrol engine producing 155kW and 350Nm, driving the rear wheels through the smooth 9G-TRONIC nine-speed automatic transmission.

Being black on black, with the AMG treatment and panoramic roof, it has an exceptionally smart and timeless appearance.

It also comes with the enormous benefit of NSW registration through until the end of July 2027.

At \$23,950, this represents excellent value for such a highly specified, one-owner C250 – particularly considering the extraordinary amount of optional equipment fitted when new.

\$23,950.00
