Mercedes-Benz C-Class W203

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

- Lovely 2001 Mercedes Benz C200 Kompressor Elegance sedan automatic
- Zircon silver with light grey leather interior
- only 61,000 klms since new
- one lady owner from new
- being an Elegance you get the nicer leather interior, electric seats, woodgrain interior, alloy wheels and a factory sun roof
- this car has had every single service by Sandersons Mercedes Benz and has been garaged in the city
- the elderly lady was no longer able to drive
- we will have this car sent to a Merc mechanic for a check over
- overall a very nice car which is priced well with such low mileage
- they have dual zone climate control air conditioning, cruise control with speed limiter, are bluetooth compatible and so much more
- it's a car which even though it's the smaller size it certainly is massive in the luggage area.
- we really like this series and they are a bullet-proof in many ways
- we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.

– this car will be mechanically checked over and receive a NSW roadworthy permit

– we are so excited to show you this fine example and look forward to meeting you in person one day soon
