-18 inch alloy wheels
– Bluetooth
– front and rear parking sensors
– quite literally every single option you could hope for
– we absolutely love this car and hope you agree when you see it in person
– registered here in NSW

– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
– this car will be mechanically checked over and receive a NSW roadworthy permit
– we are so excited to show you this fine example and look forward to meeting you in person one day soon

Dear valued customers,

During the COVID-19 crisis Oldtimer Centre will be operating remotely and you can still make a “VIRTUAL PURCHASE” so please do not attend the showroom until further notice. Please watch our high definition videos as well as the 50-60 photographs and contact us via phone, email or SMS.

There are 2 options;

Buy the car sight unseen which we have successfully done for over 25 years and we send the car to you via a transporter with a mechanical check over, roadworthy certificate and optional extended warranties.
Make an appointment to come in in the near future where the car/s will be waiting in our car park for you to inspect and drive and we will provide surgical gloves for you to wear whilst you are here. This means you will have no need to physically enter the showroom.

Please exercise the social distancing laws at all times by trying to come here alone adhering to the limit of 2 people in a public space. Thank you very much for your co-operation at this very difficult time.
