

Mercedes-Benz C-Class W204

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

– this is the 2010 Mercedes Benz C200 CGi updated blue efficiency sedan
– 114,000 klms with a very good service history
– the best colour being Zircon silver on black
– has COMMAND which means you get the wide colour navigation screen that pops up out of the dash
– factory sun roof
– spare remote keys
– a nice set of alloy wheels
– NSW registration
– this is a very clean car throughout
– the turbo-charged four cylinder engine is silky smooth and very powerful – they literally use up very little fuel too
– very quiet in the engine which is very important in this model; ie; there are no rattles on start-up
– we see so many of this series and can’t wait to have the opportunity to show you this in person as it’s a really good example

– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
