

Mercedes-Benz C-Class W204

Description

** Since 1994 our Family owned business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

– 2007 newer shape Mercedes Benz C200 kompressor
– 107,000 klms with a very good service history
– one owner car
– the best colour being Zircon silver with Black leather interior
– spare remote keys
– a nice set of alloy wheels with near new tyres
– this is a very clean car throughout
– the turbo-charged four cylinder engine is silky smooth and very powerful – they literally use up very little fuel too
– very quiet in the engine which is very important in this model; ie; there are no rattles on start-up
– we see so many of this series and can’t wait to have the opportunity to show you this in person as it’s a really good example

– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
– this car will be mechanically checked over and receive a NSW roadworthy permit
– we are so excited to show you this fine example and look forward to
