- a nice set of alloy wheels with near new tyres
- this is a very clean car throughout
- the turbo-charged four cylinder engine is silky smooth and very powerful – they literally use up very little fuel too

- we see so many of this series and can't wait to have the opportunity to show you this in person as it's a really good example
  
- we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
