Mercedes-Benz C180 C204

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

– this gorgeous 2013 update C180 coupe with AMG Styling package has only travelled 42,000 klms since new and is the very desirable black with black leather interior

– the AMG package gets you the fine white stitching in the edges of the leather seats, some very nice 5-spoke factory alloy wheels, colour coding and hopefully a better resale value when it's time to sell

– this car has been very well serviced by Mercedes Benz and a well renowned specialist we know here in Sydney

– dual zone climate control air conditioning

– the car is unmarked and has both original keys

– at under \$30K in black with AMG options this really is excellent value for money

– it recently spent some time in QLD and is registered there but can be easily transferred over to NSW which we will arrange upon a successful sale

– they are loaded with great features from bluetooth phone and music streaming

– parking sensors

– reversing camera

– cruise control with speed limiter

– these are such a nice, sensible car to own and the coupes hold their value

very well moving forwards we feel

– fold down rear seats, a full 5-seater and all the modern cons will hopefully see someone many years of happy motoring

– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.

– this car will be mechanically checked over and receive a NSW roadworthy permit

– we are so excited to show you this fine example and look forward to meeting you in person one day soon
