Mercedes-Benz C180 Kompressor CL203 MY07

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

- this is what is known as the 2007 Mercedes Benz SUPER SPORT C180 Kompressor hatch
- they really are such a good car to own and this one has travelled 137,000 kms since new and in our opinion is priced extremely well.
- Navy blue with charcoal grey leather
- dual panoramic sun roof
- June 2019 registration
- 5-spoke Sport alloy wheels
- good servicing history
- sport additional features such as the better seats, 3-spoke steering wheel, silver pedals and aluminium gear shifter and hopefully a far better resale value than a normal C-Class coupe sold from this era
- the rear seats fold forwards and they have loads of room
- this is a very clean car throughout and we refer to this as the update series which has the more modern bluetooth adapter as well as the newer thicker dials around the speedo on the dash
- we sell a lot of this series and this car certainly ticks all the important boxes

- we are extremely thorough about the sort of cars we buy and go over them with a fine- tooth comb.
- this car will be mechanically checked over and receive a NSW roadworthy permit
- we are so excited to show you this fine example and look forward to meeting you in person one day soon
