

Mercedes-Benz C180 Kompressor CL203 MY2005

Description

This superb little 2005 update Mercedes Benz C180 Kompressor Coupe has only just hit 120,000 klms and has an excellent service history from new. Cubanite silver with black leather interior, factory electric seats with driver's side memory, spare keys, long NSW registration until July 2018 and overall such a lovely example. These were a very expensive car when they were new and this one really doesn't need anything at all spent on it. They look superb, are relaible to own and should hold on to their value very well moving forwards. This is probably the best colour combination as the cubanite does not show up any dirt and the black leather looks great. The update gets you a more modern dash, better factory wheels and a much nicer interior. Normally the interior is MB Tex but this car is lucky enough to have a full leather.
