

Mercedes-Benz C180 Kompressor W203 MY2003

Description

2003 Mercedes Benz C180 Kompressor Classic in a lovely Zircon silver with dark grey interior and in one of the better more original conditions we have seen for a 15 year old car. It has a very good servicing history from new and has only travelled 132,000 klms with a lot of god features. From factory sun roof, alloy wheels, climate control air conditioning, power steering, electric windows, alloy wheels, wood grain interior, cruise control, ABS and so much more. It’s a very luxurious model and certainly needs to be seen in person to fully appreciate just how good a car it really is. There are a lot of little things to look out for when buying this W203 series and after close inspection this one really does tick all of the boxes. Registered here in NSW until November 2018 and it just feels like a very well looked after C-Class which are becoming hard to find here in Sydney. We look forward to meeting you in person one day soon!
