

Mercedes-Benz C180 Kompressor W203 MY2005

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **
– 2005 update series Mercedes Benz C180 Kompressor
– full history from new from Mercedes dealers and a specialist that we know of
– metallic Obsidian black with cream leather trim
– a nice set of factory Mercedes Benz alloy wheels
– almost 12 months NSW registration until late October 2019
– this is an exceptionally good car and being an update you get a newer interior, nicer lights and a more modern instrument cluster. This all means this car should hopefully hold its value very well moving forwards
– we get offered a lot of this series and literally wait for them to come up like this
– please take out the time to come and see this lovely example in person that has travelled 154,000 klms in 13 years which is absolutely nothing for one of these very reliable cars.
– we are extremely thorough about the sort of cars we buy and go over them with a fine- tooth comb.
– this car will be mechanically checked over and receive a NSW roadworthy permit
– we are so excited to show you this fine example and look forward to meeting you in person one day soon
