Mercedes-Benz C180 W203

Description

This is one of the most beautiful and well optioned, low mileage C180's we have had in years. It's a very late 2001 automatic Elegance sedan with factory satellite navigation, alloy wheels from Mercedes as well as a CD stacker in the glove box and the car has a mere 90,000 klms since new with a perfect Mercedes Benz service history until 65,000 and then it has been to specialists since then. The car was bought many years ago from a fastidious car enthusiast that we sell a lot of cars to and his father has been looking after it very well. The electric blue looks stunning with the cream interior & this is a very clean car will be registered in NSW for the successful buyer.

Here at the Oldtimer Centre® we are located at 101-103 Illawarra Road, Marrickville NSW 2204. Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site. We have two in-house full time mechanics who are very experienced and personally inspect every car that we have for sale. We now offer in-house finance with extremely competitive rates and are able to finance much older cars too. Interstate transport can be arranged easily, car history reports are available upon request, we don't buy our cars from auction houses and we are located only 10 minutes from Sydney Airport in three indoor showrooms. Extended warranties are available from an excellent company and our main aim is to

form an ongoing relationship with you for many years. We're also an agent for the NSW Roads and Maritime Services so transfer of registration etc can be done at our office. Please contact us for a very personal experience and as always a great deal on price.
