Mercedes-Benz C200 CGI W204 MY10

## Description

What great value for money this 2010 Mercedes Benz C200 CGI update series turbo sedan is in metallic tenorite grey with black leather, alloy wheels and has NSW registration until May 2018 as well as log books that are up to date and a spare key. These are such great value for money now and were around \$60K when new and these cars just go and go forever with proper servicing. We sell loads of this W204 series and are very picky about what we decide to take on and this is a car you need to come and see for yourself how original it is and take it for a drive. All the alloy wheels are not marked at all and the tyres are in good condition with plenty of tread left. Good C-Classes are becoming hard to find that have been garaged, well serviced, not smoked in and have good options. We're confident you will like this car as we did when we bought it.

Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site. We have two in-house full time mechanics who are very experienced and personally inspect every car that we have for sale. We now offer in-house finance with extremely competitive rates and are able to finance much older cars too. Interstate transport can be arranged easily, car history reports are available upon request, we don't buy our cars from auction houses and we are located only 10 minutes from Sydney Airport in

three indoor showrooms. Extended warranties are available from an excellent company supported by Lloyds of London and our main aim is to form an ongoing relationship with you for many years. We're also an agent for the NSW Roads and Maritime Services so transfer of registration etc can be done at our office. Please contact us for a very personal experience and as always a great deal on price.
