

Mercedes-Benz C200 Kompressor S203 MY2005

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **
– Lovely 2004 (MY05 upgrade) Mercedes Benz C200 Kompressor Elegance station wagon automatic
– Zircon silver with black leather interior
– 137,000 klms since new
– being an Elegance you get the nicer leather interior, electric seats, woodgrain interior, alloy wheels and a factory sun roof
– this car has actually been sold by us here once before and we have just traded it in on a newer Mercedes Benz
– we will have this car sent to a Merc mechanic for a check over and attend to a few minor items which are common to this model
– overall a very nice car which is priced well as these wagons are becoming harder and harder to find in this sort of condition
– they have dual zone climate control air conditioning, cruise control with speed limiter, are bluetooth compatible and so much more
– it’s a great touring wagon which even though it’s the smaller size it certainly is massive in the luggage area.
– we really like this series and they are a bullet-proof in many ways

– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.

– this car will be mechanically checked over and receive a NSW roadworthy permit
– we are so excited to show you this fine example and look forward to meeting you in person one day soon
