Mercedes-Benz C200 Kompressor W203 MY2005

Description

Another lovely 2005 update series Mercedes Benz C200 Kompressor elegance in Black with 130,000 klms since new as well as a good log book service history and a nice set of genuine Mercedes wheels which look very nice. Light grey leather interior, cruise control, remote locking, dual zone climate control air conditioning and is currently registered in NSW. We sell so many of these C-Classes that we are becoming so fussy about what to look for and this car really does tick so many boxes. The paint is lovely, tyres are good, history is up to date and it just has such an excellent feel about it. We are very proud to offer this car and hope you agree with us that it's in way above average condition for a 11 year old Merc. This car has a full 12 months NSW registration too which is a huge bonus and we actually sold this car once before to a good client of ours.

Here at the Oldtimer Centre® we are located at 101-103 Illawarra Road, Marrickville NSW 2204. Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site. We have two in-house full time mechanics who are very experienced and personally inspect every car that we have for sale. We now offer in-house finance with extremely competitive rates and are able to finance much older cars too. Interstate transport can be arranged easily, car history reports are available upon

request, we don't buy our cars from auction houses and we are located only 10 minutes from Sydney Airport in three indoor showrooms. Extended warranties are available from an excellent company and our main aim is to form an ongoing relationship with you for many years. We're also an agent for the NSW Roads and Maritime Services so transfer of registration etc can be done at our office. Please contact us for a very personal experience and as always a great deal on price.
