Mercedes-Benz C200 Kompressor W204

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

– what a lovely well priced 2009 Mercedes Benz C200 Kompressor Avantgarde Estate

– very well serviced since new

– electric sun roof, alloy wheels and the very popular Zircon Silver with black interior

– 11 months NSW registration until January 2020 is a great sign of a previous owner trading their car in after spending this money on it

– we certainly sell loads of this series and are fussy about what we buy and offer for sale

– this car ticks all of the boxes and for the C-Class they certainly have a large amount of room with all the rear seats folded forwards

– this engine was actually bullet-proof compared to the newer turbo-charged model which has seen some mechanical issues over the years

– we are very proud of this excellent car and look forward to showing it to you in person one day soon

– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.

– this car will be mechanically checked over and receive a NSW roadworthy permit

– we are so excited to show you this fine example and look forward to

meeting you in person one day soon
