Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

- this is the 2011 but the MY12 upgrade Mercedes Benz C200 blue efficiency sedan
- only 99,000 klms with a very good service history
- the best colour being black on black
- was owned by an elderly couple here in Sydney
- has COMMAND which means you get the wide colour navigation screen
- spare remote keys
- good NSW registration until late September 2019
- this is a very clean car throughout and even has the reminder to take a rest whilst driving
- guides you in to a parking spot
- very quiet in the engine which is very important in this model; ie; there are no rattles on start-up
- we see so many of this series and can't wait to have the opportunity to show you this in person as it's a really good example
- we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
- this car will be mechanically checked over and receive a NSW roadworthy permit
