

Mercedes-Benz C200 W204 MY12

Description

There are not a lot of late model German wagons available in Australia, so we are thrilled when we are able to present an immaculate example of a 2012 update series Mercedes-Benz C200 Estate at such a sensible price point. The car is finished in Iridium silver over a charcoal Mercedes leather/vinyl combination, a modern interpretation of the famous MB-Tex trim.

The estate is a credit to it’s previous owner and is a very well optioned example. Highlight features include a Harmon Kardon stereo, upgraded infotainment and Navigation, known as Mercedes-Benz “COMAND”, sunroof, dual-zone climate control with rear ventilation and power assisted front seating.

Understated and elegant, the C200 Estate is for those who want a little more practicality and style than the standard sedan. Perfect for families or trips to the snow with excellent fuel economy and perfomance, the W204 series really ticks all the boxes.

Accompanied with multiple keys, very good service history and a condition that speaks for itself, we strongly encourage you to come in and view this vehicle.
