

Mercedes-Benz C200 W204 MY13

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **
– 2013 new series Mercedes Benz C200 Estate in what is now referred to as a Blue Efficiency Avantgarde
– only 84,000 klms in just over 5 years which is nothing for a Merc and it has a very good servicing history from new
– what this means is you get the whole new interior, front end, lights, dash, steering wheel and fully integrated built in Navigation system with blue tooth for music and phone calls
– metallic grey with black leather interior
– alloy wheels
– Xenon lights
– better sound system
– dual zone climate control air conditioning
– just one of the best little wagons on the market which have a surprisingly large amount of room in the back seats, cargo area and especially when the rear seats are folded down
– we see so many of this series and this car not only ticks all of the boxes but really feels like it’s had a nice life with its previous owner
– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
– this car will be mechanically checked over and receive a NSW roadworthy
