

Mercedes-Benz C200 W205 806+056MY

Description

This stunning one owner from new 2016 Mercedes Benz C200 has only travelled 6,300 klms and is a deceased estate. The car is Silver with Black interior, has a factory sun roof, very nice Merc alloy wheels, heated seats, electric memory chairs and overall just a lovely car in every regard. Buying a new one will set you back around $70K plus options so this current shape sedan with December 2018 registration represents excellent value for money and is getting new number plates as the previous owner had personal plates that the family wanted to keep. These cars are superb to drive and obviously this one has new car warranty left on it. Spare remote keys, COMMAND, fold down rear seats, bluetooth, adjustable sports driving settings called Dynamic Controls and so much more. We absolutely love selling cars like this and can’t wait to show you in person one day soon. First registered in Dec 2016 here in Sydney.

Here at the Oldtimer Centre® we are located at 29-31 Antoine Street, Rydalmere, NSW 2116.
