

Mercedes-Benz C250 C204

Description

This is the whole new series of C-Class coupes which was introduced in 2011 and known as the update. We are so proud to offer this 38,000 klms since new, white C250 loaded with great features. From the panoramic sun roof, Xenon lights, unmarked alloy wheels that we just had all re-finished from Bob Jane, log books and spare keys. So many of these city cars have been mistreated but this one really is a stand out and in such a lovely colour combination. With the wider built in navigation, panoramic sun roof which is working perfectly this new larger C-Class coupe is more like an E-Class in a lot of ways. In fact if you get in a 2009-2012 E250 coupe they are basically the same inside. These also have colour coded bumpers, the newer and more efficient 1.8 litre turbocharged engine which has loads of power and is bulletproof to own and service. We hope you agree that this little C250 BlueEfficiency will continue to hold its value very well and we look forward to meeting you in person one day soon. Registered in NSW until September 2018.
