

Mercedes-Benz C250 CGI W204 MY10

Description

In 2010 the Mercedes Benz C250 Avantgarde Blue Efficiency sedan introduced an update which had so many more great features and we are proud to offer this update series today with 49,000 klms with a very good servicing history and spare remote keys. It’s a metallic Zircon silver which looks awesome and has a black leather interior too. Factory wider screen navigation, newer gauges, a better steering wheel, and overall it’s much nicer inside. Under the new aluminium hood there is a very powerful 4 cylinder turbo charged engine with all your torque available from 2000rpm. With new bumpers, new head and tail lights, a nice grill and a whole lot of new safety features too; Mercedes Benz really did what they said they were going to do when they introduced a far better model. We are very fussy when we purchase 8 year old Mercs and are happy to say that this car not only ticks all of the boxes as far as colour, history and overall condition but the colour, drivability and general feel of this C-Class is impeccable. Please take out the time to come to have a test drive and it’s going to be re-registered here in NSW for the new buyer as it only just ran out. Traded in on a brand new car we are lucky enough to market this C250 Avantgarde.

The Oldtimer Centre is located at 29-31 Antoine Street, Rydalmere, NSW 2116.
